**Have a great holiday!**

# Holidays Homework

## Session – 2026-27

### Class – VIII

#### General Instructions –

**1. Parents are requested to help their ward in doing their holiday homework but the work should be done independently by the child in his/her own handwriting.**

### ENGLISH

#### **Instructions -**

- a. You may take ideas from your elders, but remember this homework belongs to you Do it yourself.
- b. Do everything in a neat and clean manner.
- c. Do all written work in a separate homework copy/notebook.
- d. Learning is equally important, so revise and memorize the learning work regularly.

**1. Word Meanings:** Learn and write the word meanings of Lesson 1 & Lesson 2 from your textbook in the holiday homework notebook.

**2. Grammar Practice:** Prepare all book exercises of \*Chapter 1, 2 & 3\* from your Grammar book.

**3. Writing Skills:** Revise orally all the Applications taught. Write the g  
Notice Writing given on page no 166, neatly in your copy.

**4. Poem Writing:** Write a four-line poem on any oneof the given topics:

1. My Mother / Mom
2. India – A Wonderful Land
3. My Dream

**5. Handwriting:** Write one page of handwritingfrom your Reader book everyday with date.

**6. Social Activity – Save Birds:**

**As it will be very hot in the coming days, keep some grain, food, and water for the birds on your roof, balcony, or garden.**

**Video Task:** Record a short video in English conveying a message to others to do the same for birds. Share this video with me on my **WhatsApp number \*9897598599\***. Selected videos will be uploaded on our school's social media page.

**Note for Parents:** Please encourage children to do the work independently. The video activity helps build confidence in spoken English and compassion for nature.

**Submission Date: First working day after holidays.**

**All the best. Stay safe and keep learning!**

# HINDI

## खंड - क

**पाठ 26 - अनुच्छेद लेखन :** विद्यार्थी अपनी व्याकरण की उत्तर पुस्तिका (नोटबुक) में लिखें।

- 1- जो तोको कांटा बुवै, ताहि बोई तू फूल।
- 2- परिश्रम का महत्व

**पाठ 27 - निबंध लेखन -**

- 1- विज्ञान के बढ़ते कदम
- 2- समय का महत्व

**पाठ 28 - पत्र लेखन -**

- 1- किसी दैनिक समाचार पत्र में आपके मित्र को कविता छापने पर उसे बधाई पत्र लिखिए।
- 2- अपने विद्यालय की प्रधानाचार्य से चरित्र प्रमाण पत्र लेने के लिए प्रार्थना पत्र लिखिए।

- 1-आपने अपनी कंपनी के सभी सेल्स मैनेजर की मीटिंग बुलाई थी उसको याद दिलाने के लिए अपने सैक्रेटरी को ईमेल लिखिए।
- 2- नई चेक बुक प्राप्त करने के लिए इंडियन बैंक के महाप्रबंधक को ईमेल लिखें।

**पाठ 34- लघु कथा लेखन -**

"करत -करत अभ्यास के ,जड़मति होत सुजान"।

मन के हारे हार है , मन के जीते जीत

## खंड - ख

**परियोजना कार्य - (मल्हार) पाठ - 3 कविता**

एक आशीर्वाद कविता A4 साइज पेपर पर कविता लिखकर चित्र बनाएं।

# MATHS

## Core Assignments & Activities -

### Real-Life Math Journal:

Track weekly grocery expenses, analyze savings, and calculate discounts to learn basic financial literacy.

**Math Around Us:** Create a photo collage capturing geometry in nature (symmetry, spirals, angles) or create a Rangoli using geometric shapes.

### Activity-Based Projects:

**Square & Cube Clock:** Make a clock where numbers 1-12 are represented by square/cube roots (e.g., 9 as  $3^2$ , 2 as cube root of  $8^{\frac{1}{3}}$ ).

**Shapes Project:** Construct a 3D model of a cube, a cuboid, a cylinder and a cone using cardboard.

**Statistics:** Collect data on topics like "most used plastic bags" (100-120 words).

**Mathematics Quiz (Tambola):** Design a Tambola sheet and create questions based on rational numbers, squares, and cubes for a family game.

**Properties of Quadrilaterals:** Create a chart defining the properties of rectangles, squares, parallelograms, and rhombuses.

### Creative Component

**Mathematician Biography:** Write a 100-word biography of a famous Indian mathematician.

**Movie Analysis:** Watch a film like "The Man Who Knew Infinity" or "Shakuntala Devi" and list 10 things you learn.

**Game Design:** Create a board game where movement is determined by adding/subtracting integers.

### Tips for Success:

Ensure all work is handwritten for better retention.

Use coloured paper and chart paper to make projects visually appealing.

# SCIENCE

**1. Learn Chapter - 1, 2 que/ans and write 5 answer every day.**

## **2. RESEARCH WORK -**

### **Find Information About:**

1. C. V. Raman
2. Louis Pasteur
3. Antonie van Leeuwenhoek

Write:

Birth year

Important discovery

Contribution to science

(Write these in separate notebook)

## **3. CREATE YOUR OWN SCIENCE COMIC -**

Make a 4–6 box comic strip on: (A4 drawing sheet)

“A Day in the Life of a Tiny Microbe”

Include:

Funny dialogues

Drawings

Science facts.

# S.St.

## **Subject: Natural Resources and Their Use**

**Project Title:** The Resource Guardian Chronicles

**Duration:** 1 Month (4 Weeks)

**Objective:** To analyze the lifecycle of resources and propose sustainable living models.

### **Week 1: Case Study & Comparison**

Focus: Geography & Analysis

- **The "Deadly vs. Divine" Comparison:** Pick two countries: one that has managed its resources excellently (e.g., Norway or Singapore) and one facing a resource crisis (e.g., South Africa regarding water). Write a 3-page comparative report.
- **Local Survey:** Interview two elders about how natural resources (local ponds, air quality, or forest cover) in your city have changed in the last 40 years. Record their "Oral History."

### **Week 2: Creative "Green" Innovation**

Focus: Practical Application

- **The "Resource Upcycle" Invention:** Create a functional prototype. Examples: DIY drip-irrigation system from plastic bottles or a Solar Oven from a pizza box.
- **Process Documentation:** Take photos at three stages: Raw Materials, Assembly, and Final Product in Use.

### **Week 3: Final Submission**

Focus: Documentation & Reflection

- **The "Future-Pedia" 2050:** Write a news report from the future describing a day in 2050 where a major resource has run out.
- **Sustainability Manifesto:** Write a 10-point "Family Resource Constitution" for waste reduction.
- **Visual Glossary:** Create a visual dictionary for terms like Ubiquitous Resources, Localized Resources, and Sustainable Development.
- Learn and write chapter - 1 with exercise in your holiday homework notebook

### **Submission Requirements**

- **Format:** A4 size ring binder or handmade file using recycled cardboard.
- **Word Count:** Total approximately 1,500–2,000 words across all reports.
- **Visuals:** Min. 5 original photographs and 2 hand-drawn maps/diagrams.

Pro-Tip for Excellence: Include a QR Code in your project linking to a 1-minute video explaining your invention!

## COMPUTER

**Make a separate computer notebook for summer holiday**

**1- Read chapter -1 and chapter -2 deeply and try to make new 5 questions with answer and note down in notebook.**

**2- Try to do exercise of chapter -2 and note down in same notebook.**

**Project:**

**Creative Projects AI-Powered App Design:** Design a concept for a mobile app that helps students learn, using AI for personalized learning or study scheduling. Create a poster with its features, logo, and benefits.

# SANSKRIT

प्रथम पाठ से सप्तम पाठ तक 10-10 शब्द संस्कृत प्रतिदिन दिनांकानुसार उच्चारण करते हुए लिखें |

विभक्ति, कारक, लिंग, वचन, पुरुष याद करें (समझे) |

पेज संख्या 82 सर्वनाम शब्द रूप 'तद्', वह पुल्लिंग, स्त्रीलिंग, नपुंसकलिंग के शब्द रूप लिखें और याद करें |

पेज संख्या 94 से शब्दकोश से 05-05 शब्द याद करें लिखें एवं कम से कम 5 श्लोक याद करें लिखें |

## G.K.

### 1. Current Affairs Project -

**Prepare a project file on any one topic:**

Space Missions, Climate Change, Olympic Games, Artificial Intelligence.

### 2. Indian Constitution

**Write short notes on:**

Fundamental Rights, Fundamental Duties & Democracy.

### 3. Famous Scientists -

**Write about contributions of:**

C. V. Raman, Homi J. Bhabha, Vikram Sarabhai,
